**Subject: motion by the Management Board regarding 2013 financial year profit distribution**

The Management Board of Zespół Elektrociepłowni Wrocławskich KOGENERACJA S.A. hereby reports that at the meeting of 7 March 2014, the Board passed the Resolution regarding submission to the Ordinary General Meeting of Shareholders of KOGENERACJA S.A. of the motion regarding distribution of profit for 2013.

In line with the motion regarding distribution of profit for 2013, part of the net profit shall be allocated to the Company's reserve capital, which may be used for the purpose of financing strategic investments of KOGENERACJA S.A., e.g. construction of DeSOx and DeNOx system in EC Wrocław as well as construction of new installations in EC Czechnica.

Construction of the DeSOx and DeNOx system in EC Wrocław is necessary for the CHP plant to continue its production after 1 January 2016, when new, more restrictive emission standards, will come into force. Whereas, the planned construction of the new installations in EC Czechnica is a development investment of KOGENERACJA S.A., which is to determine the future of the plant for years to come.

Pursuant to article 382 § 3 of the Polish Code of Commercial Partnerships and Companies, the Management Board shall submit its motion to the Supervisory Board for review. The final decision regarding net profit distribution for the financial year 2013 will be made by the Ordinary General Meeting of Shareholders of KOGENERACJA S.A.
