Subject: Prevention of a collective dispute

On March 20, 2008, the Board of KOGENERACJA S.A. received information from Elektrociepłownia Zielona Góra S.A., its subsidiary company, and from the trade unions active there that the collective dispute involving them has been prevented (information on this collective dispute has been presented in the current report No. 6/2008).

The negotiations concerning the salaries will be continued in an amicable way without using the procedures for solution of the collective disputes.
