

Current report 6/2019

Subject: CO₂ emission allowances for installations generating electricity

The Management Board of Zespół Elektrociepłowni Wrocławskich KOGENERACJA S.A. (the "Company") discloses that, on the ground of the announcement of the Minister of Environment on April 16, 2019 ("the announcement") the Company has taken information about the volume of CO₂ emission allowances which have been granted to installations generating electricity, belonging to the KOGENERACJA S.A. Group in 2019.

Based on the above announcement, Grupa KOGENERACJA S.A. will receive an additional allocation of CO₂ allowances from the pool of non-allocated allowances for previous years of the settlement period in the volume of approx. 0.97 million (including KOGENERACJA S.A. 0.47 million allowances and the subsidiary EC "Zielona Góra" S.A. 0.5 million allowances), as a results of the settlement of capital expenditures in PGE Group (including as part of assets acquired in 2017).
